JESSIE ANDREWS

BONNIE ROTTEN

CALL IT "THE FOX EFFECT"

Dear FOX: I've been noticing more and more that women seem to be "loosening up." I mean, maybe I'm just lucky or something, but around where I live it seems that babes are taking to the streets wearing less clothing and game for having more casual sex than ever before. It's like some sort of slut revolution is going the fuck on! I like to think of this phenomenon in my mind as "The FOX Effect." I personally feel it's because of kick-ass magazines like FOX that the porn industry and the concept of sex-for-hire have become cooler than ever before. And consciously or subconsciously, babes want to be a part of it! And you don't have to go pro to snag your fair share

of screaming orgasms. Suddenly it's sexy to be loose as a goose. All I know is I've recently had my dick sucked by three different random chicks in the bathroom of my local on three separate occasions while I fingerbanged each one to orgasm and THAT has never happened before... So, thanks very much, FOX!—Gerry C. via email

THE HAPPY WHORING GROUND

Dear FOX Magazine: What happens to porn stars after they retire? I feel like so many of them just disappear and it makes me sad. I watch so much porn and my favorite performers over and over that I feel like I build a very special rapport with them so when they vanish from the industry I am

left feeling sad and abandoned. Take Annette Schwarz for instance, remember her? Man, I sure do. I watched her movies so many times I felt like I really knew her, inside and out. And then one day—poof! She's gone and I am left all alone and sad. I just hope that wherever she is she is happy and fulfilled. In her absence I have been forced to turn to other movies and get my rocks off to other girls but I have to say it has never been quite the same. I miss you Annette, wherever you may be!—Jeremy in FL

DICK FOR BRAINS

Dear FOX: So I walk around with my dick at half-mast all the time, I mean, I am always sport-

ing semi wood and it never goes down all the way, never. Is this like, normal? I was thinking it might mean that I have a calling or something, like I should enter the adult industry as male talent. I am sure I could do a great job and keep the girls happy and everything. I mean, I can get all the way hard in like no time. I don't know what's up, *FOX*. It's as if I am the dude in the pictures because I can pretty much smell feel taste the cunt on the page just by looking at it once—it's like I've experienced it myself. That's pretty much what runs through my mind all day long but I feel like sometimes my thoughts aren't my own but come directly from my dick, you know? Anyway if you want a photo of my dick or something or I need to audition somehow let me know. I think that maybe I was born to stick my dick into a lot of different women and if I could get paid to do it well that would be great.—*Danny in San Diego via email*

ANAL START KIT

Dear *FOX*: I have a great marketing idea for you guys. Why don't you develop and sell "*FOX Magazine's Anal Sex Starter Kits*" and you can get some of the hot industry ho's to promote it and it can con-

tain some special formula *FOX* lube and a dildo and a how-to booklet and you can package it up all nice and sweet looking and then guys like me can have something to give our girlfriends for Valentine's Day or as a "just because" present anytime. My girlfriend refuses to give up the ass and it's so frustrating because I just want to buttfuck her just once and it's really driving me crazy. I tried showing her *FOX*, showing her some layouts where the girls makes it look easy and fun and they really look like they're getting off—you can tell by their facial expressions, by their eyes—but she's still too scared. She won't watch actual porn with me, she'll only look at still pictures. So *FOX* I think you and me should develop this anal starter kit idea and make some money and get me deep up into the ASS where I belong.—*Victor in IN*

WHAT'S MY NAME?

Dear *FOX*: I am learning that normal girls do not like the word cunt so much, not that I would ever refer to a woman that way but I thought it was OK to talk about her parts like that. I mean, it's a cunt, right? Pussy is such a mealy-mouthed term and to my ears stuff like twat and slit sound a

whole lot worse than cunt. Slice sounds nasty and sort of violent like and I'm not about to go all pansy-assed and start referring to it as a flower or other such bullshit. In my opinion, girls should be proud of their cunts. After all, a guy will do just about anything to get inside one, even lick it. I've stuck my tongue in plenty of 'em, and some have tasted pretty good if I do say so myself.—*Sergio in Evanston, IL*

FOR A FEW HUMPS MORE

Dear *FOX Magazine*: I am not a rich man by any means, but I would be willing to pay \$5,000 for a few hours alone with Yurizan Beltran. She is one of the most beautiful women in the entire universe and she has the most perfect body. I would love to lick it all over for hours I bet her asshole tastes like candy. Her skin looks so soft and silky and blemish-free. I bet the inside of her pussy hole feels like silk, too. If I could be inside of her for a couple of humps I would then be able to die a happy man. The site of my spunk squirting all over those unspeakably perfect tits of her would probably give me a heart attack and I would die right there on the spot.—*Gary in CA* 

Tiffany Thompson

Watching Tiffany give herself a once over with a dildo is like watching world-class dance champions do the tango. It's mesmerizing and sensual and something you'd never dream of cutting in on. Although it's equally riveting to see her cum buckets while her long limbs are entwined with those of another naked body, she handles that acrylic prick with the grace and confidence of a woman who's determined to deliver unto herself a life-changing orgasm. There are no gratuitous movements, no wasted efforts. Every kiss of fingertips to flesh is made with the intention of maximizing pleasure. She teases her nipples hard and her pussy wet with a few well-choreographed caresses and then she's ready to bring out the big gun—her beloved clear cock. This toy has seen Tiffany through a multitude of Os so massive that it's a wonder it hasn't been wrung out of shape by the frenzied clenching of her cunt. Go, Tiffany, go! 🐱

DIRECTOR
JONNI DARKKO

SLUT 'N' PUPPET
BAILEY BLUE, TONI RIBAS

PIXXX & ARTICLE BY JEFF HUBRIS

33475

If you are a connoisseur of vagina like I am, then you will immediately recognize Bailey Blue's pussy as a gourmet five course meal wrapped up into one extremely edible American country girl crotch.

"I guess I have a pretty meaty pussy from what I've always been told," she says. "Guys tend to like that from what I've noticed. I have really big pussy lips. I guess they're pretty good-sized."

From the country town of Lake Elsinore, California, this pussy and its extremely attractive and amiable vagina support system bode well for the implications behind the title of Jonni Darkko's cooch centric *Deep Pussy* movie project, in which Bailey Blue will play an integral role.

"I really want to focus on your pussy," Darkko tells her, "As weird as it sounds it's all about the pussy. I know it sounds like a shitty rap song but that's really what I want to do. We are not doing anal, you know, so we are going for complete pussy worship and it has to be something fun and crazy."

Bailey Blue Vagina Worship Stage One commences with her posing for pictures in dark, fish-net lingerie and black, studded, high-heeled wedgy footwear.

Then Darkko produces a portable fuck ramp to throw under her for maximum leg spreadage if necessary. He rants to Bailey and today's very experienced dick wielder, Spanish gentleman Toni Ribas about avoiding the customary BJ, three positions protocol.

"I'd rather not do the BJ at all until the middle of it. First pussy worship, then fucking," he says. "When Toni comes in it's on. Once we go I want to keep the intensity going. Go! Go! Go!!! Once you stop the weaker it gets so I don't really want to elongate this. I want us to just shoot our asses off and do the best pussy worship video I've ever done and go home!"

BAILEY: I've been in the industry for two years. I've been working a lot more now. I just switched to a new agent, Mark Spiegler. He's been very good for me and I also just started doing anal. It was a decision that took a lot of time to make and I was really excited for it. Now that I started doing it I love it. I was definitely not a virgin to anal. I did not do it as much as a regular sex but I definitely want to have anal sex all of the time now. I got a lot of tips from other girls on it and I never really fully enjoyed it until now I think. Porn anal is different than real sex. Off camera you don't have to prepare for it as much and doing it with a porn star is amazing because they make you cum an insane amount of times and they really know what they're doing. I don't know, it's just really, really awesome on camera. ...My first real boyfriend I was with for about four years. The sex was terrible. He didn't really know how to make me cum. Now that I'm not with him I've had the opportunity to experiment and have sex with other people, especially on camera it's been a learning process. I actually realize now that it's okay for me to cum too. I was kind of having sex because I felt like I was supposed to in a relationship. Now I'm having sex because I love it. ...My personal sex life is not so much as crazy as it used to be. I don't have sex that much off-camera. I try not to because it takes a toll on your body and I tried to save myself for work. If there is a really hot guy outside of work I'm not going to turn it down. It's so funny because I never would've thought it. At first it was like sex, sex, sex. Now I think I'm just a little bit more careful about who I sleep with. I masturbate all the time. I have a collection of toys at home. I wish I had a picture to show you. I just recently added anal sex into the mix. Since I just started doing anal I think now I'm more comfortable putting something in my butt at home and having something in my pussy as well while using something like a vibrator.

He shoots his solo tease with Bailey Blue talking about how her pussy just wants a big, hard cock fucking it really deep. His advice for Toni Ribas is pure and simple, laden with understanding and porn pro confidence.

"Toni, I'll let you run this thing. Just do your magic."

Darkko rolls video and the fuck commences quickly starting in open spoon. After the first segment Darkko pauses the camera but the fucking continues. The sex is just too happening for the participants to take a break. So-called "real sex" has taken over this porn shoot. Porn "acting" has become unnecessary.

"I have a semi-right now," he says, "You've got to have real sex. It's good!"

DARKKO: You've unleashed the Toni animal. I don't want to lose this heat. Toni's on fire. Your fucking the shit out of her, man. Just grab onto that wall and hang on. Fucking beautiful... I mean, who doesn't want that? Come on! ...Who needs a gym when you've got this guy?

BAILEY: It really depends on who I'm having sex with and if they can fuck me to make me cum. Sometimes it does take me touching myself at the same time. I love sex in general. I was always very experimental and a very sexual person. I was always very flirtatious and always had a boy toy I guess you could say. After I broke up with my first boyfriend I started having sex with a lot of different people and then I started doing porn. ...I had a lot of jobs before I started porn. I worked as a deli manager and I worked in a bank for about a year. That was the most boring job ever. I worked in fast food for about two years and that was horrible. ...I would definitely say that I've never really had a cock as big as Voodoo's or Manuel Ferrara's outside of porn. ...I love all kinds of sex. Like whatever the mood calls for is hot at the time. There's really is no kind of sex that I really want to have all of the time, although I really love rough sex. I guess that's because I had a lot boring sex prior to porn. Boring, bad sex in Lake Elsinore will make any girl love rough sex. I didn't even notice before porn but I actually like to be slapped around, like to be choked. Nothing too crazy but I've been doing some BDSM stuff lately and it's pretty enjoyable. It definitely makes me cum. I've experimented with it in my personal life. I kind of tried being tied up having a blindfold on which is really hot with the right person. This guy made me pass out once. The guy has to know what he's doing. He kind of just slapped me around and I was good. I woke up and we kept fucking. I've tried to date some guys outside of the industry who tend to kind of follow what they've seen in porn, down to the positions and it doesn't necessarily work if you're not doing it right....

At the risk of sounding a bit to booster-ish, something I'm not all that good at anyway, I would have to say that this bang out has turned out to be an absolutely rippin' sexual encounter. After being tossed around and power fucked for a solid forty-five minutes, Bailey takes Ribas' load in the face from the time honored, porn classic kneeling position.

She talks about being included on a TV panel discussion with Dana DeArmond around the subject that porn stars are psychologically and spiritually healthier than the average woman.

"I shot Bailey before," Darkko says after photos. "I did a BJ scene with her and she's really fucking cool. I could hang out with this girl on a regular basis because she like listens to classic rock and has an older soul which I appreciate versus like, young, dumb and full of stupid."

Bailey Blue is a small town Cali country girl who just knocked it out of the park. There I go again being complimentary. It feels so wrong to me, even when it's actually valid. A superlative athletic, sexual performance. This is the "A list." So much love. You'll be seeing quite a bit of her. 🐱

Melody Jordan

Underrated. That's one of the first words that comes to mind when I think about Melody Jordan. Granted, it's not *the* first word that comes to mind...*that* would be reserved for something more like #sexyasfuckredheadwithaflawlessass, but I digress. Although she does not get anywhere near the recognition or credit she deserves, Melody is one of the most talented ass whores in the smut world. Blessed with stunning beauty, amazing flexibility, and Ho Holes that would make almost any man slap his own mother just to get a taste of them, Melody is simply one of a kind. Her talents don't just end with her incredible fuck skills, no sir. Having over eighteen years of ballet training, Melody is also a highly intelligent, science-loving nerd and well versed in all aspects of the classical arts of music, theatre, dance, painting, sculpture, etc. She has a witty sense of humor, is as charming as the day is long, and is one of the nicest, sweetest people you'd ever want to meet. Throw in the aforementioned fact that she's also one of the most underrated dirty little sluts in the jizz biz, and what you get is basically just a slice of perfection in the form of a gorgeous woman. With 30,000 plus followers on Twitter, it's hard to say that she doesn't get the recognition she deserves, but get to know her a little bit and you'll realize that number should have a few more zeroes on the end of it.

@Gabriel_Lan: I love how you constantly reference your buttock with slang terms like "poop chute" or "turd tunnel" LoL.

@Gabriel_Lan: Do you have a favorite slang term for your perfect little asshole?

@MelodyJordanxxx: I usually use the word "shithole" because its kind of a mutual word I can use in almost any anal scene.

@MelodyJordanxxx: Some of the other words like poop basket get too vulgar, unless it's for Evil Angel :P

@Gabriel_Lan: Obviously, your anal exploits on camera are well known. Had you had a lot of experience doing anal before entering the jizz biz?

@MelodyJordanxxx: Actually no. I played with toys and fingers to prepare myself for the entrance into the porn world.

@MelodyJordanxxx: I took the time to learn about my asshole before someone else did.

@Gabriel_Lan: And once you took the time to learn about your asshole, you... "learned" that you really liked butt sex? Do you find it easier to orgasm from an ass fucking?

@MelodyJordanxxx: No, I don't think its easier, but I think its way more intense when it does happen...in a good way.

@MelodyJordanxxx: That's why I like anal sex...it's rough play, in a good way.

@Gabriel_Lan: Is butt sex something you do and enjoy in your personal life as well?

@MelodyJordanxxx: Yes and oh yes! lol

@Gabriel_Lan: How DID you originally get into the porn world anyway? What went into that decision?

@MelodyJordanxxx: I grew up either on stage or in front of a camera, so I was never shy.

@MelodyJordanxxx: I finally posted a Model Mayhem to start venturing into the modeling world when I was twenty and basically got into it from there. My agency found me and took me to L.A.! <3

@Gabriel_Lan: Your amazing sphincter gets all the attention, but your oral skills are highly underrated. To what do you attribute your incredible cock sucking talent?

@MelodyJordanxxx: I used to think I sucked. I was convinced I couldn't ever deep throat. I had a terrible experience when I was real young giving a guy head.

@MelodyJordanxxx: I refused to do it until I started dating this guy who was my BF for five years. I actually started enjoying it but I only knew "what I knew" before porn.

@MelodyJordanxxx: It wasn't until my scene for New Sensations in "Redheads Are Sexy" that I first convinced myself that I could go for a messy, sloppy, gagging BJ...

@MelodyJordanxxx: ...from then on it was fun!

@Gabriel_Lan: Is there anything you haven't done on camera that you still want to do? Any unfulfilled fantasies that a porn shoot could satisfy?

@MelodyJordanxxx: I would love to have sex on a Steinway grand piano...HAS to be a Steinway! Or do a scene with body paint in a white room. Also a real DP (Boy/Boy/Girl)

@Gabriel_Lan: Is there anything that's off limits? Anything you won't do?

@MelodyJordanxxx: Double anal, double vag, fisting, prolapsing... those things just don't interest me. I don't want to do things that ruin my love of anal!

@Gabriel_Lan: Do you have a preferred type of scene to do, like BBG, GG, BGG for example?

@MelodyJordanxxx: I would like to have more BBG, but I love Solos and Girl/Girl the most

@Gabriel_Lan: What is your take on the recent trend of porn girls growing out their bush?

@MelodyJordanxxx: I mean, I'm doing it for the more European route but, honestly I like it shaved, as much as I like a guy shaved or trim.

@MelodyJordanxxx: Please don't give me a full bush. I don't want to floss my teeth when I eat pussy...but a small one DOES look mature.

@Gabriel_Lan: You are in a long term relationship, correct? How much of a strain, if any, does being a dirty little slut as your "day job" put on a relationship?

@MelodyJordanxxx: It doesn't really affect it. It's nice to have someone understand the difference between work and a real life.

@MelodyJordanxxx: Honestly, I'm a real cliché romantic so he def knows I love him :)

@Gabriel_Lan: Clearly, you enjoy having sex with girls on camera. Does that apply to your personal life as well? Have you had sex with girls off camera? Ever been in a relationship with a female?

@MelodyJordanxxx: Yes, yes, yes. and no lol...I love licking pussy and asshole...just wouldn't date one :P

@Gabriel_Lan: I'm not sure if you're aware of this, but as a "general rule," most guys lump redheads into 1 of 2 categories: Smoking hot or...Eh, not so much.

@Gabriel_Lan: In your opinion, is that a fair assessment? (You, obviously, fall into the "smoking hot" category, obtw)

@MelodyJordanxxx: I mean I'm not a ginger...so its hard to totally knock me into that category...my red is more burgundy, not orange red with freckles.

@MelodyJordanxxx: I think it's awesome for us redheads though because there is a specific fetish for us since there are so few.

@MelodyJordanxxx: Anyways...my drapes don't match the carpet...shhhh!

@Gabriel_Lan: You trained in ballet for several years, correct? Is that something you're still very passionate about?

@MelodyJordanxxx: I've danced for 18 years now and yes, I am very passionate about it. I hope to own my own dance school one day.

@Gabriel_Lan: How has that rigorous training of your body helped you in your porn career?

@MelodyJordanxxx: I'm flexible, I have good stamina, my Pilates gives me a well trained "kegeled" pussy.

@MelodyJordanxxx: Also, the discipline of dance is super rare to find in some people. I am very business oriented, or at least take directions well.

@Gabriel_Lan: I'm just guessing here, but a *Black Swan* porn parody would have been a tailor made role for you, don't you think? LoL

@MelodyJordanxxx: Yes!!! I wish my fans would convince Vivid or somebody to do that for me :)

@Gabriel_Lan: Have you ever considered trying out for *So You Think You Can Dance*? Surely you are a fan of that show LoL. Just so you know, you'd get MY vote ;)

@MelodyJordanxxx: Haha I actually don't like competition shows like that...I'm not a competition dancer, I'm a conservatory dancer.

@MelodyJordanxxx: It's two different types of dance in my opinion. For me, it's about the soul and heart rather than complete technique.

@Gabriel_Lan: You are extremely fan-friendly on social media outlets. Is that something you enjoy doing, interacting with fans?

@Gabriel_Lan: Would you say, in general, that your experience interacting with fans online has been mostly positive?

@MelodyJordanxxx: I love talking to my fans!! They are really supportive of me!

@MelodyJordanxxx: They support me through my wish list or with just kind words. I love how some can actually relate to my dorkiness as well :)

@Gabriel_Lan: Your dorkiness IS one of my favorite things about you. For those that don't know, what sort of 'dorky' things are you into?

@MelodyJordanxxx: I'm a good mix of nerd and dork.

@MelodyJordanxxx: Dorky: love anime, I was a huge *Bleach*, *Sailor Moon* and *Tokyo Mew Mew* fan among a few others.

@MelodyJordanxxx: I Love Hello Kitty and I watch Disney CONSTANTLY!!!

@MelodyJordanxxx: My more Nerdy side: I love classical music, human anatomy. I'd rather go to the art museum than to a club. I was an honors student, never did drugs.

@MelodyJordanxxx: Of course, you know I dance ballet, I went to a conservatory for it. And I also play violin and write music.

@MelodyJordanxxx: Oh...and I'm obsessed with cats!!

@Gabriel_Lan: After the recent run of super hero movies, you became quite a Marvel comics fan, correct? Do you read any comic books?

@MelodyJordanxxx: I love the Marvel/DC movies. I'm more into the Avengers than anything else.

@Gabriel_Lan: Do you read any comic books? What about DC comics? Not as much of a Batman/Superman fan as say Spiderman, Captain America or the Avengers?

@MelodyJordanxxx: I have read a few comics, but I didn't grow up with it so I wouldn't say I'm a "legit" Marvel fan.

@MelodyJordanxxx: But...since all the movies been made with, well, some of the most handsome actors imho, and I love supernatural story lines.

@MelodyJordanxxx: AND with Disney buying them out, I got into it more in the past four years.

@MelodyJordanxxx: I do like Batman, Superman, and Spiderman because I think they are symbolic characters of the word "superhero" but mainly I've just seen the movies.

@Gabriel_Lan: Wouldn't you think that you would be the perfect choice for Black Widow in an Avengers parody? I mean, sexy, athletic, beautiful red hair...sounds like a slam dunk to me ;)

@MelodyJordanxxx: YES!! That would be so much FUN!!

@Gabriel_Lan: Everyone gets their share of haters online. How do you handle the so-called "fans" who are really just assholes talking down to porn industry girls?

@MelodyJordanxxx: I ignore the hate. If I write something then everyone who follows me sees it, so I just ignore it. It's one opinion out of the 30,00+ who follow me.

@Gabriel_Lan: LoL you get asked a lot of strange questions on Tumblr. What are some of the weirder, most notable ones you can recall?

@MelodyJordanxxx: Sometimes it's the questions that don't even deal with porn that are the funniest.

@MelodyJordanxxx: Like if they ask about my love for Disney or they tell me about the next superhero video.

@MelodyJordanxxx: I also think the guys asking about my asshole is funny too. :P

@Gabriel_Lan: Since you are such a huge Disney fan, is Ariel from *The Little Mermaid* your dream role?

@MelodyJordanxxx: Yes!! Either that or Belle from *Beauty And The Beast*...it has to be in the musical!

@Gabriel_Lan: Let's say you were Ginger on *Gilligan's Island*. Obviously you would corrupt Mary Ann, but who else would you be most likely to have sex with? LoL

@MelodyJordanxxx: Probably just Mary Ann lol

@Gabriel_Lan: Is your cat Figaro named after Mister Geppetto's cat in *Pinocchio*?

@MelodyJordanxxx: lol well, of course...DUH! Or you can associate it with Mozart's opera because I love classical music.

@Gabriel_Lan: I'm sure like most porn sluts you like to stay busy, but what do you do with yourself during the slow times of the year?

@MelodyJordanxxx: I try to make custom videos for fans, sell panties...I cam but I don't do it a lot. I just try to enjoy the time I do have off.

@Gabriel_Lan: Why don't you cam more often? How has that experience been for you? It seems like it can be a LOT of work to actually make any money....

@MelodyJordanxxx: It's too much work to make money... it's too EASY, I should say. I mean I sit around and wait to masturbate...

@MelodyJordanxxx: I'm a hard worker. I'd rather be on set doing my job than just sit around. But I do it when I need to and to sometimes connect with my fans.

@Gabriel_Lan: What are some things you like to do when you're away from the business side of things? Any hobbies or things you like to do just for fun?

@MelodyJordanxxx: Ballet, dance in general, shopping, hang with my family/boyfriend.

@MelodyJordanxxx: I like doing crafty things like crocheting, randomly practice my makeup, singing, write music, working out, etc...

@Gabriel_Lan: One of the worst things about being in Porn Valley has to be being away from home, family, and friends. How often do you get to go home?

@MelodyJordanxxx: I try to go once a month, but it's been rough recently. I get homesick real easy. I miss flying home to my family and boyfriend all the time.

@Gabriel_Lan: Are there any industry types that you hang out or socialize with away from work?

@MelodyJordanxxx: I like the cool nerdy girls, who have a sense of maturity. You will rarely find me at a "porn party."

@MelodyJordanxxx: I kinda like chillin' with my cat and singing Karaoke :P

@Gabriel_Lan: You are one of an increasingly smaller group of girls that do not have any tattoos. Planning on keeping it that way?

@MelodyJordanxxx: Yes. I had a scary dream where I had a Hello Kitty tattoo (I love HK) but then I got old and it looked terrible...I don't even want to chance that lol

@Gabriel_Lan: You are one of the nicest people that I know. Do you think that niceness and positive attitude rubs off on those around you?

@MelodyJordanxxx: I hope so! I may not be the wild sex whore, but I respect them. You need to be respected and I try to treat everyone how I want to be treated.

@MelodyJordanxxx: Whether its porn or real life, I always say *There is a difference between a Princess and a Disney Princess* as far as personalities go. :)

For more of one of the most fan-friendly as well as one of the nicest, dirtiest girls I know, follow Melody at @MelodyJordanxxx. Keep up to date with the world's finest porn mag at @FOXMagazine. There are girls who say they love to fuck and then there are girls who *really* love to fuck. *This* fresh-faced hottie is not one to close her eyes and think of England. The sheer glee she exudes while getting her pussy pounded is unmatched by any of her pornland peers. She's got a sick, bendy little bod and a booty that could cause a riot, but if you want an epic hard-on just look at her face. Those eyes, that mouth! The unfiltered delight! *That* is the face of a girl who loves to fuck, my friends. You can almost hear the word "yesssss" sighing out from her very core. There isn't much in this world that's sexier than a chick who digs getting fucked so much it seems like she's smiling around the cock she's sucking on. Because Mia has chosen a job she loves, she'll never have to work a day in her life. Work *it*...well, that's another story. 🐱

SLUT 'N' PUPPET
ALYSHA RYLEE, JERRY

PIXXX & ARTICLE BY JEFF HUBRIS

My tall girl fetish chain is just so fucking yanked by lanky legged Alysha Rylee. Others have pointed out that the gangly, beanstalk female physicality polarizes my "interest" to the exclusion of other, more valuable or I guess you could say, *lasting* human qualities. But no. This is the kind of shit that can get you in trouble every time because your number has been gotten unbeknownst to the innocent, potential abuser of you. Sickness permeates the ether. I'm not proud.

We're sitting in a small bedroom with an adjoining bathroom in a well-known hilltop porn shoot house while renowned director B.Skow makes preparations for Alysha Rylee's upcoming anal plungefest with the very capable meat wielder Jerry. Cutting to the chase, I want to know about her pussy.

"My pussy is tight and perfect," she says cutely. "It's very flexible. I guess you're either born with a tight pussy or you are born with a loose pussy. That's what my conclusion is. I've never had any complaints. I can take a large size and it can still flex back to where it's small and tight. I think you're just born with a natural good thing."

I have no problem with this self-analysis, and I've heard it before. I also believe every word of it because each pussy has its own come hither attributes. I have scraped the bottom of this barrel many times and have never been disappointed. All pussy is good. That's who I am. I concur. I'm a believer. Sad, really.

This anal excursion will go into a movie entitled *Down the Rabbit Hole* which will feature girls that (on video anyway) are somewhat new to being plowed in the ass. It's an adventure. B.Skow is set up and ready to roll. All that's left is the directorial advice that today's porn thespians need to hear.

"Start from the beginning," he tells Jerry. "I want to see her with her clothes on. You can fuck her a little bit in the pussy with her clothes on first."

Alysha wants to know if she should be looking into the camera or not while getting banged.

"You can look at the camera when you're fucking for a second but don't make it look like you're constantly paying attention to me. But if you want to look at the guy you're fucking while you're getting fucked, do it. I like that. Sometimes when Jerry's pounding you hard you can scream sometimes but don't overdo it."

Finally, in a moment of great candor and sincerity, B.Skow can no longer hold back the frustration of being a dating service for male porn talent. This raging tide of bitterness can hold no more.

"You're an asshole Jerry!" he says cuttingly. "One of these days after I'm done shooting I'm going to kill you. When I'm about to retire you're going to blow a load and I'm taking you out. Boom! That's it! After all of the money I've given you in the last ten years and sitting watching you fuck and cum and I get to do nothing? You're an asshole!"

Jerry counters by suggesting that the tables be turned, with B.Skow as male talent and himself as director. The porn set bro activity is rampant. It's time to shoot. All systems go. B.Skow gives a final observation: "Now let's watch Jerry fuck a hot chick in the ass!"

B.Skow started out as a high-end fashion photographer and after years of shooting layouts for almost every major girlie magazine, made the transition to directing movies for Vivid until last year, when he jumped ship to form his own production company, Skow Digital, now associated with Girlfriends Films.

"I was at Vivid since 1993. That's twenty years. I love the company and I learned so much there and it provided me with an amazing life but I never worked with any other company in adult besides that except for magazines and all that. It's a great company but I just wasn't happy for the last two years. It's not the reason I left, but I hate parodies. I love making movies, I love shooting and I love photography, but just because I was a mainstream advertising photographer for a while I'm just a little sensitive about stealing from somebody. It aggravates me how people in the industry are taking so much credit.

"One of the reasons I wanted to do my own company was that I would come up with my own ideas and get new girls that no one had ever seen before or shoot these amazing photos and it would take a year to come out or longer. By the time it came out no one cared about it because either the girl was gone or she was made popular by Elegant Angel. I have movies in the can over at Vivid that I shot in '09 that have not been released yet! For this one, I just wanted to find girls who hadn't done many anal scenes and guys with really big dicks, seeing the girls in situations where they're kind of just getting used to taking it. That's sort of the whole thing in the movie. We have the girls doing solos and masturbating, showering and doing interviews. Fine interviews too, dirty, I let them say what they want and the stuff doesn't get cut and the movies will be out immediately. And the DVD will be two discs with top girls and I wanted it to be kind of a go-to thing. I couldn't really shoot this type of movie for Vivid. I like making movies about fucking, about sex. That's what I like doing. I don't want to make movies about the cast of *Friends*."

Now with the power to fly free, with a new, more personalized business model there are new worlds to be realized. My money is on B.Skow to distinguish himself even further, if that's possible at this point. He knows this territory extremely well.

ALYSHA: I'm Afghan and Spanish. I've been doing porn for about nine months. I was curious about it and I just want to try it and I enjoyed it. Before porn I was at Camp Verizon selling cell phones. ...I was always kind of slutty. I would do the random nightclub guys. I did have a relationship but in relationships I'm so possessive but I don't like to have it turned around where the guys are possessive of me. Relationships and me weren't so good a lot of times but I had a lot of fun. I've always had fun with sex. I've always had a lot of sex. This was more like just taking it to the next level. ...I like certain positions. There's this one position where I'm like laying flat down on my stomach and having sex from behind and I can like squeeze my muscles. That's very enjoyable. Also, I like to ride a lot. ...The Hitachi is my Number One boyfriend. I think mine's a little warped, it's making a weird noise now. I love it. Of course I can get off having sex but I know exactly what to do with the Hitachi. It's like the best invention ever. ...My first anal didn't hurt at all. I tried to do it in some other situations but the guys really didn't know what they were doing. Then I got into porn and the guys in porn really know how to have anal sex and it's a lot easier. They know exactly what to do so it's not painful really. I'm new to it still but it's something I'm getting the hang of. At first I didn't prepare properly, now I know how to prepare. ...I was dating a guy with a larger dick but he didn't know how to use it. I can't do small. When they say that it depends on how you work it, that's true but I prefer a larger size. ...I got into this business minded. I'm thinking of doing a website, it's just a smart idea for any girl. My website is going to be different things, like sex and interviews. I want to start saving. I'm 21 and I have a little time to figure it out. I just want to be smart about it. ...My dad found out. He does not not approve of it at all. He stopped talking to me. It's his daughter, you know, but I think he'll get over it. My mom knows and she doesn't want me to be doing it but I talk to my mom every day and I tell her everything. My dad was the one who told her but if he hadn't told her I would have told her. ...Today was fun. It was a rough one, but I like rough though. I like it rough, I like everything, different sizes different kinds of different sizes and different speeds. I like slow fucking but if it's like a nonstop slow there needs to be something additional, like sex and then kissing and then something else. I like it when it's erotic but like an hour of it would get really boring.

The prelude is brief and the fucking commences quickly. They bang through a few vaginal positions and Alysha Rylee takes the first anal from doggie. Things really ramp up at this point and she begins throwing down with some actual anal mania behavior that includes some screaming and various forms of unbridled anal enthusiasm. They whip through the positions and get some great anal gapes from couch cowgirl. Jerry pops on her pussy from spoon and the scene is officially wrapped. All killer no filler all the way through. 🐱

Anissa
Kate &
Mick

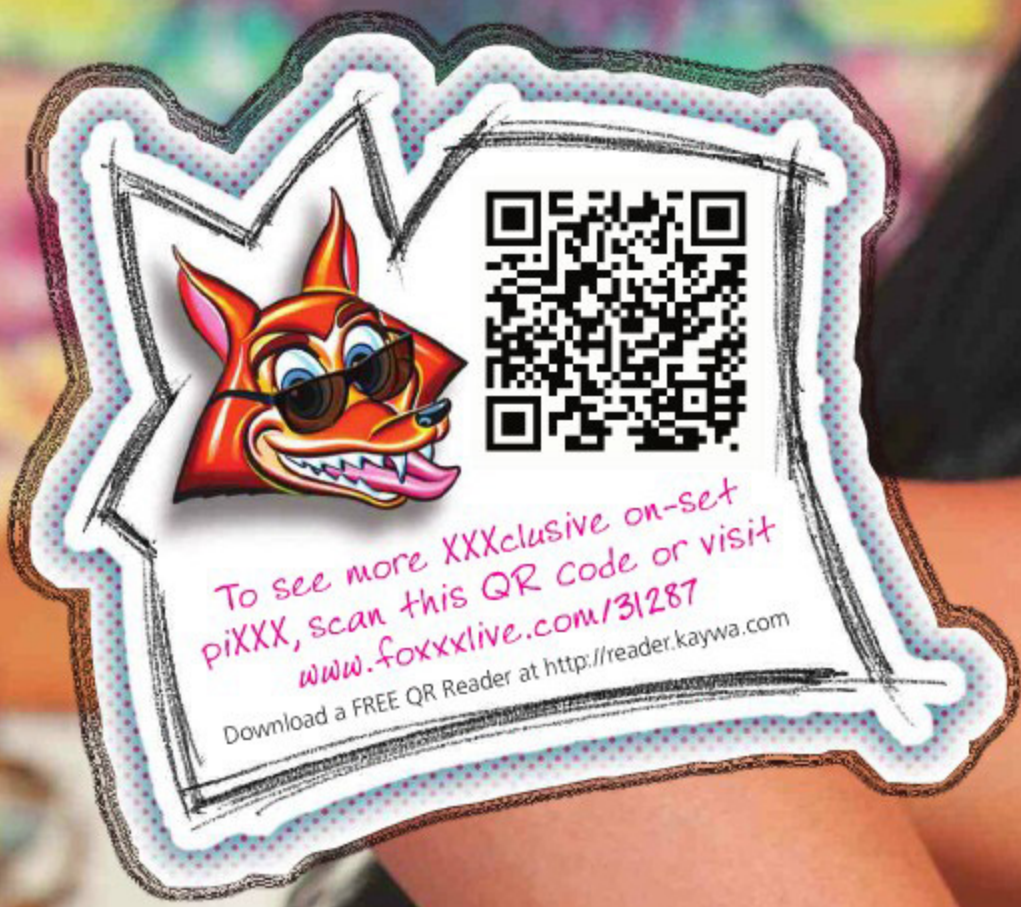

French beauty Anissa Kate has a certain something about her that makes her special or, more specifically, two somethings. While she is undeniably lovely and undoubtedly has many charms, it's her rack that takes home the prize. Those heavenly titties are fit for an angel but thankfully Anissa sports them instead, or we may otherwise never have had the opportunity to gaze upon their bare magnificence. Mick, knowing full well what a lucky motherfucker he is, wants to prolong the experience as much as possible and so he bangs Anissa nice and slow, inching his cock in and out of her with smooth, gentle strokes, straining to dip his face into that warm mammary pool. Although the rest of her goes a long way towards re-defining "exquisite," there is only one place to bust a nut on this babe. So Mick burrows his cock in between her dirty pillows and pulls out when it's time to soak them in seed. 🐈
